

Dear Fellow Students:

I wanted to take a moment to introduce myself to you and let you know that I am fortunate enough to have been chosen as the Granite State College student representative to the University System of New Hampshire Student Board for the 2008-2009 academic year. Each institution within the system has a student representative and we participate in Trustee Board meetings along with the Student Affairs and the Programs and Services subcommittees. My role is to represent Granite State College on these various boards and subcommittees and particularly the voice of our students. I welcome you to contact me with any comments, questions or concerns that you may have relative to your experience here at Granite State. Are there areas you would like to see changes, areas you feel the school and the system are doing well in, or any other questions you may have.

I look forward to working with you and for you as your voice to the University System of New Hampshire Board of Trustees. You may communicate with me at [southwickgsc@yahoo.com](mailto:southwickgsc@yahoo.com).

Sincerely,

Tommy Southwick
